Shenandoah Prankster Wins \$800,000 Prize Playing Powerball with Power Play

At first, James Irvin of Shenandoah couldn't make anyone believe that he had won an \$800,000 Powerball with the Power Play prize.

But the story became reality when he claimed the prize Aug. 4 at Iowa Lottery headquarters in Des Moines. He bought his ticket at the Whitehill Gas Co. on U.S. Highway 59 in Shenandoah.

Irvin, 51, said he learned he had won a big prize early the day after the Aug. 2 drawing when he logged on to the Iowa Lottery Web site from his home computer and saw the winning numbers. Irvin, who apparently has a reputation for being a prankster, went about his usual day and told some of his co-workers at a Shenandoah transmission-manufacturing plant about his big win, but no one believed him.

"I just played into it, had fun with it, and enjoyed myself the rest of the day," he said. "Everybody

thought I was kidding around."

Irvin, who works as an assembler at the plant, said he plans to invest his winnings.

"I'm hoping it will make a really pleasant retirement," he said. "I'll probably invest most of it...pay a few bills off."

Irvin said that he always adds the Power Play option to his ticket.

"I didn't figure I'd ever win the big one, so if you won anything you want it multiplied, of course," he said. 🍀

James Irvin, right, accepts a large check for \$800,000 from Iowa Lottery CEO Ed Stanek at Iowa Lottery headquarters on Aug. 4.

Second Southern Iowa Player Wins Powerball Prize

Teresa Sleep of Northboro

A second southern Iowa resident collected a big Powerball prize won in the Aug. 2 drawing.

Teresa Sleep of Northboro won \$200,000 in that Powerball drawing. She bought her ticket at the Fareway store, 1007 S. Fremont St. in Shenandoah. She collected her prize the day before James Irvin of Shenandoah, who won \$800,000 with the Power Play in the same drawing.

Ironically, both tickets were sold in the same town of Shenandoah. And both tickets were easy picks, where the computer randomly picks the numbers.

"I was shocked because this is the first time I've ever bought a [Powerball] ticket. I'm still pinching myself," Sleep said as she claimed her prize.

Sleep, 45, works as a clerk at the local Casey's General Store in Shenandoah.

"I went to work, was doing my job and printed off the winning numbers. I thought, 'Oh! I've got five of [the numbers] right...that's worth at least \$20.'" But her supervisor told her the prize was \$200,000.

Sleep plans to invest her winnings, pay off some bills and possibly travel to visit her older sister. Even though she was hit with a stroke of beginner's luck, Sleep still plans to play the lottery, especially Powerball.

"Oh, yeah! I'll play now. I'm a believer!" she said.

Sleep says the other winning Powerball ticket in Shenandoah was sold just down the street from where she works. 🍀

Good 'Fortune' Awaits Players

Scorchin' Fortune (pull-tab)

Cost: 25 cents

Top Prize: \$25

Odds: 1 in 9.15

Begin Ordering: Aug. 21

Play by peeling apart the five tabs located on the back of the ticket. Three symbols are printed under each tab. Check all five tab areas. If three consecutive symbols printed vertically or diagonally under any of the tabs match identically any of the winning combinations shown on the ticket front, the player wins the corresponding prize. The arrow connecting the symbols indicates a winner. 🍀
